

Certificate of Compliance

Certificate: 1424213

Master Contract: 201022

Edition: 1

Date Issued: May 27, 2003

Issued to: Tibeon Capacitors
Tibrewala Electronics Limited
Plot No. 17 S V C I Estate
Balanagar, Hyderabad - 500 037
INDIA

The products listed below are eligible to bear the CSA Mark shown with adjacent EN 60252 indicator

EN 60252

Issued by: Brij P. Aggarwal, P. Eng.

Authorized by: Terry Nagy
Operations Manager

PRODUCTS

CLASS 9091 01 - Miscellaneous

AC Motor Capacitors with aluminum casing, self healing type, class B, climatic category 25/85/21, rated 1 μ F to 50 μ F, 450 V_{ac} 50/60 Hz, temperature category -25°C to 85°C, Class of safety protection P2, metallized polypropylene film dielectric, intended for use with asynchronous motors supplied from a single-phase system, series type designation 3.1.1.

APPLICABLE REQUIREMENTS

EN 60252: 1994 - A.C. Motor capacitors
